“Developing confident, enthusiastic and happy learners”

Dear Parents,

The Year 4 children will be going on a trip to ‘Rediscover the River’ on the 27th September 2024

This trip is organised and run by the Watford Borough Council as part of the Rediscovering the River Colne Programme. We will meet the organisers at the Knutsford playing fields, the children will investigate samples taken from the river, identify various invertebrates and other species found in the river and discuss and identify invasive plants introduced by humans. The session will last 1.5 hours for each class. We will go and return by mini bus. We would possibly need parent volunteers and request you to return the reply slip quoting whether or not you will be able to help out. We will contact you to confirm if you are needed for the trip.

The children will be walking alongside the river bank, we advise that the children bring appropriate footwear which may become dirty on the trip. Due to the timing of the trips, ALL CHILDREN must have a PACKED LUNCH. There will be no hot lunches available on this day for Year 4.

10:30 – 12 session

12:30 return to school for lunch
