

# Recycle Reuse Kit List

## Kit list

- Used paper e.g. newspaper, coloured paper, sugar paper
- Magnifying glasses or microscope
- Washing up bowls and warm water
- Hand whisks (PAT tested electric whisks or blenders can also be used) or mashers
- Metal coat hangers shaped into a rough rectangle covered with old tights or nylon stockings to make a sieve
- Absorbent material – e.g. blotting paper, layers of newspaper or cloth
- Rolling pins, bottles and/or iron (PAT tested) to help to dry the paper
- Starch (optional)
- Colouring, glitter, bits of foil etc. to add to the paper. Leaves, buttons, string etc. to place on top of the paper, before it is dried, to make patterns.
- Crayons, pencils etc.
