Dignity Statement

Kingsway Junior School is committed to providing a learning environment where all children are treated with dignity and respect. As stated in the UN Convention on the Rights of the Child, all children are born with dignity, which cannot be taken away, regardless of behaviour, ability, disability, race, economic background, gender, sexuality or beliefs. Duty Bearers' protection of children's rights affords them this dignity and enables them to access education free from barriers.

School uniform

Wearing school uniform helps children feel part of our school community and removes unnecessary distractions, allowing them to focus on their learning. Our uniform policy has been developed with affordability and inclusivity in mind, and we work hard to keep costs as low as possible for families.

Governors, parents and teachers fully support the wearing of school uniform, and we would appreciate your cooperation with this.

Whilst every effort is made to trace lost items of clothing and equipment, the school can accept no responsibility for their loss or damage. Naming items is therefore essential.

Second-hand uniform

We have a small amount of pre-loved uniform available in the Reception Area. This is a great way to save money and is particularly helpful for items that children quickly grow out of.

Financial support

If you're struggling to provide uniform due to financial difficulties, please talk to us. We understand that costs can be challenging for some families, and we're here to help. Contact the school office and we can put a plan in place to support you. All conversations are treated in the strictest confidence.
