“Developing confident, enthusiastic and happy learners”

Dear Parents and Carers,

We would like to invite you to a special Online Safety Workshop designed specifically for parents and carers of children in Key Stage 2. As children become increasingly active online, it is more important than ever that we work together to help them stay safe, confident, and responsible in the digital world.

The workshop will cover:

- What the consultants teach children about online safety.
- Understanding the online platforms KS2 children commonly use, including apps and games.
- The issues and dangers children face online.
- Practical tips to keep children safer online.

Date: Thursday 26th March 2026

Time: 9am (45mins- 1 hour)

Location: Kingsway Junior School Hall

Led by: ECP Safeguarding

The session will be informative, friendly, and suitable for all levels of digital confidence. We strongly encourage all KS2 parents and carers to attend, as the information shared will help you support your child’s wellbeing both at home and in school.

Thank you for your continued support. We look forward to seeing you there.

Kind regards,
