“Developing confident, enthusiastic and happy learners”

Dear Parents/ Carers

Reminder: Toys, Fidget Items and Slime Not Allowed in School

We are currently having a large amount of fidget toys/ games/ slime being brought into school.

Any item causing a distraction to your child or others will be removed and will be available for collection by the parent. Toys from home are not allowed in school.

We've recently noticed a significant increase in the number of toys, fidget items, games, and slime being brought into school. While we understand that children may enjoy these items at home, they can cause unnecessary distractions in the classroom and during school activities.

What's Not Allowed in School

To keep our learning environment focused and safe, we ask that children do **not** bring any of the following items into school:

- Fidget toys (such as spinners, cubes, pop-its, etc.)
- Slime or putty
- Games (including card games and small handheld games)
- Any other toys from home

What Happens if These Items are Brought In?

- Any items that cause distraction will be removed from your child and kept securely in the school office.
- Parents/carers will need to collect these items in person.
- Items can be collected from the school office during school hours (8:30am – 4:30pm, Monday to Friday).

How You Can Help

We kindly request your support in making sure your child leaves all toys, fidget items, and slime at home. This helps all pupils to concentrate in class and ensures a calm and productive learning environment.

Next Steps

- Please check your child's bag before school each day to ensure no toys or similar items are being brought in.
- If you need to collect a removed item, please visit the school office during our usual hours.

Kind regards

Ms Beale
